System	Input	Output	Control	Feedback
1. Open-loop control system	Reference input	System output	Controller	None
2. Closed-loop control system	Reference input	System output	Controller	Feedback signal
3. Feedforward control system	Reference input	System output	Controller	Feedforward signal
4. Adaptive control system	Reference input	System output	Controller	Adaptive signal
5. Robust control system	Reference input	System output	Controller	Robust signal
6. Optimal control system	Reference input	System output	Controller	Optimal signal
7. Predictive control system	Reference input	System output	Controller	Predictive signal
8. Fuzzy control system	Reference input	System output	Controller	Fuzzy signal
9. Neural network control system	Reference input	System output	Controller	Neural network signal
10. Genetic algorithm control system	Reference input	System output	Controller	Genetic algorithm signal
